Current Applications

- VMET Document – DD Form 2586
- Preseparation Counseling Checklists
- TurboTAP Web Site
- ITP Checklist

VMET Document - DD Form 2586

Verification of Military Experience and Training (VMET)

- Provides eligible military Service members (active/guard/ reserve on or after October 1991) with a document displaying their military work experience, training, and language proficiencies
- Includes descriptive summaries, recommended college credits as assigned by the American Council on Education (ACE), related civilian equivalent job titles, and foreign language proficiencies
- More than 4.5 million VMET documents have been generated online since January 2001
- URL: https://www.dmdc.osd.mil/vmet

Preseparation Counseling Checklists: DD Forms 2648 & 2648-1

- Using the DD Form 2648/-1 website, a Sailor or Marine can identify the services and benefits he/she is interested in learning more about prior to separation
- This website enables data entry and printing of the Preseparation Counseling Checklists as well as entry of TAP workforce data by Military Service Headquarters and OSD's Transition to Veterans Program Office
- A separate web service interface enables receipt of this data transmitted via XML from the existing Air Force and Army systems
- A database houses all records and enables statistical reporting to OSD and the Services
- URL: https://www.dmdc.osd.mil/tap

TurboTAP Web Site

- TurboTAP is a product representative of the partnership between DoD, the Departments of Labor, Veterans Affairs, and Education, the Small Business Administration, the National Veterans Corporation, and the National Guard Bureau
- TurboTAP is the single source of information for a Service member going through the transition process
- It includes three main content areas: DoD Career Decision Toolkit, Transition Guides, and Transition Assistance, which encompass employment assistance, entrepreneurship guidance, relocation assistance, education and training, health care information, life insurance information, and a personal finance guidance
- URL: http://www.turbotap.org

ITP Checklist—DD Form x626

Individual Transition Plan (ITP)

- Effective FY2013, all separating and retiring Servicemembers will document their achievement of Career Readiness Standards commensurate with their desired employment, education, technical training, and/or entrepreneurial objectives on the ITP Checklist
- This website enables data entry and printing of the ITP Checklist for the Navy and Marine Corps
- A separate web service interface enables receipt of this data transmitted in XML format from the existing Air Force and Army automated systems
- The website also provides statistical reporting to OSD
- URL: www.dmdc.osd.mil/tap
